

Our Impact

A lot has happened since our first Neighbors Helping Neighbors in 2019! Since 2020, we have:

Distributed over 320,000 hot lunch meals to the community

Gathered and distributed over 1 million pounds of bulk food and produce

Facilitated over 5,000 volunteer shifts, with many repeat volunteers

Distributed essential items (diapers, supplies) to over 1,200 new and expectant families

Launched many more special projects responsive to the needs of our neighbors
